Dear colleagues!

We invite you to participate in the XIV Andrianov conference "Organosilicon compounds. Synthesis, properties, application" which will be held on June 3-6, 2018 at the A.N. Nesmeyanov Institute of Organoelement Compounds of RAS (Moscow, Russia).

The purpose of the conference is the discussion of the most current problems, tendencies and prospects for further development of new methods for synthesis of organosilicon monomers, oligomer and polymers as well as acquaintance with modern methods of the analysis of their structure and properties.

Special attention will be paid to questions of innovative manufacturing technologies of silicones. Including technologies based on use of renewable raw materials. Such processes demands radical reorganization of all production cycle with a reference point on use of progressive approaches since a stage of synthesis of the basic monomers and finishing with extension of organosilicon products nomenclature. Scientific program will include lectures of prominent Russian and foreign scientists, working in this field.

SCIENTIFIC PROGRAM

Main topics of the conference:

- *New methods of synthesis of organosilicon monomers, oligomers and polymers.*
- *Structure and properties of organosilicon compounds.*
- *Theoretical prediction and computer simulation of silicones.*
- *New organosilicon materials and their applications.*

The official languages of the meeting will be English and Russian, no translations will be provided.

June 3, 4 and 5 (morning session) – *English*;

June 5 (evening session) **and 6** – *Russian*.

Abstracts can be submitted on-line after the registration on the conference website www.andrianov2018.ru

IMPORTANT DATES:

January 20 – March 4 Registration and abstract submission; early registration fee.

March 5 – April 15 Registration and abstract submission; regular registration fee.

Registration fee*

Category	<i>Early bird:</i> until 04.03.2018	<i>Regular:</i> 04.03– 15.04.2018
Regular participants	300 €	350 €
Students and PhD students	100 €	150 €
Representatives of business-structures (scientific report)	350 €	450 €

* Registration fee includes participation in the scientific sections, conference materials, coffee-breaks, welcome reception.
