XI ALL-RUSSIAN CONFERENCE “FLUORINE CHEMISTRY”

MARKING THE 110th ANNIVERSARY OF
PROFESSOR I. L.KNUNYANTS

1906-1990

JUNE 26–30, 2016
INEOS RAS, MOSCOW

FIRST CIRCULAR

GENERAL INFORMATION

The XI All-Russian Conference “Fluorine Chemistry” with international participation (F-2016) will be held in Moscow at the A.N.Nesmeyanov Institute of Organoelement Compounds of the Russian Academy of Sciences. The Conference will mark the 110th anniversary of outstanding fluorine chemist Professor I.L.Knunyants who founded the Russian scientific school of organofluorine chemistry, which went on to gain worldwide recognition. Knunyants’s contribution to fluorine chemistry is highly appreciated by the world scientific community.

The Conference will be held from the 26th until the 30th of June 2016 at the A.N.Nesmeyanov Institute of Organoelement Compounds of the Russian Academy of Sciences (Moscow, Vavilov Str. 28, Russia).

SCIENTIFIC PROGRAMME

The Conference will cover all key aspects and world trends in development of chemistry and technology of fluorine compounds. The programme of the Conference will include lectures of outstanding scientists concerning the recent advances in chemistry of compounds of fluorine, results of basic research opening the route to new technologies. The programme comprises the following topics:

- *synthesis and reactivity of organic and inorganic fluorine compounds;*
- *biologically active fluorinated substances;*
- *fluorinated polymers;*
- *technology problems and prospective applications of fluorinated compounds and materials;*

The Conference programme will include plenary lectures (30 min) of Russian and foreign scientists invited by Organizing committee, oral contributions (20 min) and poster sessions. Round tables will be organized with representatives of industries and business.

The plenary lectures are planning which will be given by the invited scientists such as Member of RAS Prof. V.M.Buznick (RF), Member of RAS Prof. V.N.Charushin (RF), Prof. V.G.Nenaidenko (RF), Prof. S.Fustero (Spain), Prof. T.Billard (France), Prof. G.Sandford

(UK), Prof. V.I.Saloutin (RF), Prof. D.O'Hagan (UK), Prof. V.Ya.Sosnovskikh (RF), Prof. B.Koksch (Germany), Prof. J.Kvicala (Czech Republic), Prof. A.D.Dil'man (RF), Prof. J.Rabai (Hungary), Prof. K.Uneyama (Japan), Prof. N.Shibata (Japan).

REGISTRATION

To register please fill in the [Registration Form](#) and send it to the Secretary via e-mail: fluorine_2016@ineos.ac.ru.

REGISTRATION FEES

Registration fee includes attendance to all scientific sessions, conference materials, coffee-breaks, and welcome party.

Participant	Registration Fee	
	before April 30, 2016	after April 30,2016
Academic	€250	€300
Student and post-graduates	€130	€150
Representative of business community and industries	€300	€350
Accompanying person	€100	€100

The procedure for paying the Registration fee will be described at the web-site <http://www.ineos.ac.ru/en/conferences/f-2016>.

LANGUAGES

The official languages of the Conference are Russian and English. Speakers are requested to prepare illustrations for their presentations in English.

ABSTRACTS

The presentations will be selected based on the abstract (1 page, line-interval 1,0). The abstracts should be submitted in English or/and Russian. An abstract should be submitted to e-mail address fluorine_2016@ineos.ac.ru or info@fluorine.moscow as the attachment (in DOC, DOCX or RTF format). The detailed information for preparing abstracts given on conference web-site.

KEY DATES

Abstract submission – before March 31, 2016;
Early bird registration – before April 30, 2016
