ORGANOELEMENT COMPOUNDS
OF THE RUSSIAN ACADEMY OF SCIENCES

GENERAL INFORMATION

The 9-th All-Russian Conference "Fluorine Chemistry" dedicated to the 100-th anniversary of Professor A.V. Fokin is organized by A.N. Nesmeyanov Institute of Organoelement Compounds of the Russian Academy of Sciences (INEOS RAS). Professor A.V. Fokin was an outstanding Russian chemist, Member of the Russian Academy of Sciences, who headed INEOS RAS, the research centre, which is well-known worldwide by the basic research in chemistry of organofluorine compounds.

The Conference will be held at A.N. Nesmeyanov Institute of Organoelement Compounds of the Russian Academy of Sciences (INEOS)

October 22 – 25, 2012

(Russia, Moscow, Vavilov St. 28)

SCIENTIFIC PROGRAMME

The scientific programme includes recent advances in the following important branches of fluorine chemistry:

- *Synthesis and reactivity of fluorine compounds*
- *Biologically active fluorinated compounds*
- *Fluoropolymers*
- *Technical aspects of applications for fluorinated substances and materials.*

The Conference Programme will include plenary lectures (duration 30 min) oral presentations (duration 15 min) and poster sessions.

ORGANIZING COMMITTEE

Chairman:

Prof. Yu. N. Bubnov, Member of RAS (INEOS RAS, Moscow)

Vice-Chairman:

Prof. N. D. Chkanikov (INEOS RAS, Moscow)

ABSTRACTS

GUIDELINES FOR ABSTRACT SUBMISSION

The selection of oral and poster presentations will be based on the submitted abstracts. All contributors are invited to submit a one-page abstract in English. An abstract should be submitted to the Conference Secretary via E-mail: fluorine2012@mail.ru or enikol@ineos.ac.ru as the attachment (rtf or any Word format). If E-mail submission is unavailable please submit a hard copy and soft copy in disk by mail.

Times New Roman should be used (12 pts, 1 space between lines, justified, margins (2,5 cm, 2,5 cm, 2,5 cm, 2,5 cm). The abstract should contain:

(1) The title (14 pts, Bold, centred); (2) The authors names, the presenter's name should be underlined (12 pts, Bold, centred); (3) Affiliations and full postal address of the institution/organization/company and the Presenter's E-mail address (12 pts, *italic*, centred); (4) Main body of text should be followed under a blank line (12 pts and single spacing throughout).

Structures and schemes should be drawn on a ChemWind, Chem. Draw or ISIS DRAW type package. An example of abstract with more detailed explanations is attached and will be presented at the web-site.

The deadline for the abstract submission is July 01, 2012.
